For your convenience, Water District 19 can now automatically deduct your bi-monthly water bill directly from your checking account.

Yes, sign me up for Automatic Payment!

I AUTHORIZE Water District 19 to initiate deductions, and the financial institution listed below, to transfer payment, for and in the **Full** amount of my utility bill. This authorization will remain in effect until cancelled. I understand that I may discontinue this service at anytime by giving written notice to Water District 19.

Automatic payment may be cancelled by Water District 19 upon notification from the bank of non-sufficient funds or closed accounts, which would result in a \$35.00 service charge added to the account.
